BOOTH SHEET · EP. 2 MIRANDA

VOICE-OVER · 1 LINE · 38 WORDS · ABOUT 0 MINUTES READ · PLAN 30–45 MINUTES

---

1. **Mic:** the same one as intro take 2. In QuickTime: File → New Audio Recording, click the arrow next to the record button, pick that mic and set Quality to Maximum.
2. **Room tone:** before the first line, record 5 seconds of silence.
3. **Slate:** one long recording is fine. Before each line, say its number as printed (“four,” “nine A”), wait a beat, then read.
4. **Flubs:** stop, pause, and start that *sentence* again. Don’t restart the whole line; the mistakes get cut.
5. **Another try:** say the ID again plus “take two.” The last take is used unless you say otherwise.
6. **Pace:** your own, a little slower than talking. Breathe at the end of each line on this sheet; on long ones, at any comma.
7. **Breaks:** stop whenever you like. Several files across several sessions are fine; tick the boxes as you go.

The four dissenters said it would put guilty men back on the street.

The quote is Justice White’s. Read it as a quote.
